

Your Tax-Deductible Donations to the Foundation

We're a Non Profit 501 (C) (3) Foundation

How Your Monetary Donations* Are Used

Here are supplies that we typically pick up on our all-day trips to do shopping for the foundation. We can only go and buy items when we are able to get a ride in the back of a truck, or catch the bus.

- Baby diapers
- Baby formula
- Baby wipes
- Band-aids
- Ointments for cuts & minor burns
- Refrigerator
- Clothing and tennis shoes, flip flops
- Tooth brushes and tooth paste
- Toilet paper
- Bars of soap
- School supplies (paper, notebooks, color pencils, writing pencils, and English teaching materials).

*Cash donations help us most to continue our loving and caring mission in this small village in the mountains of Mexico. While some of our donors are moved to ship donations to us, please be advised that we are able to buy Mexican-made clothes and other supplies at a great saving over American prices. Shipping from USA takes a long time, and we often never get the items out of customs. If you nevertheless want to ship, please let the foundation arrange shipping through a private Mexican carrier in Arizona.

And last not, but definitely not least, we appreciate your prayers! Please go to the Contact page on our website and sign up for our mailing list so we can keep you up to date:

WENDY BRACKNEY DANIEL FOUNDATION
to feed, educate, and establish the faith

The Wendy Brackney Daniel Foundation

A Non Profit 501 (C) (3) Foundation

The Wendy Brackney Daniel Foundation was established in 2017 to help feed, educate, and establish a strong Christian faith in a small mountain village in Mexico. Founders Drew and Wendy Daniel have lived as a homeowner in Mexico in this small village since 2014. They saw the need to feed the hungry, promote education, and maintain the Church in their village, as well as in other small villages in the area. Puerto De San Marcos is a mountain village of 120 residents with several other villages close by.

All donations go for

- Food
- Wages for the cooks
- Wages for one maintenance person
- Propane for cooking
- Bottled water
- Wages for the two teachers
- School supplies

Our foundation uses all donated money for the help we provide the village. No personal expenses are ever paid out of the foundation. We pay the electric bill personally since we feel it is the right thing to do since it is our home where we feed the hungry.

Food

Six meals a week, with a to-go box for Sunday. Most homes have no way to keep food fresh, no stoves.

Education

Thirty plus students attend school Monday through Friday, ten and half months a year, with extra help on Saturday morning provided by the two teachers.

Faith

The church in this village and in surrounding villages needs support in terms of the physical facilities and spiritual growth.

The Recipients

In our own village, we see the need in not just the elderly, but in young mothers and small babies. Nearby villages are seeing what we have been providing, and are needing help.

These villages have only two other Americans living here part time, so we see the need, and could use your generous help.

Your Contributions

A tax deductible donation of any amount will make this mission grow to help a lot of others in nearby larger villages.
